ComplianceWire Course Administrator Notification – November 4, 2016

Background:
We are notifying ComplianceWire content administrators that the following courses are being retired on November 4th, 2016. Courses being retired are listed below along with the reason for the retirement, and the recommended actions that administrators can take. This list is categorized by library.

We're retiring many of these courses as we continue to upgrade our standard courses into our EduFlex format. This new course authoring tool enables our team to build a single course with multiple language options. In addition, EduFlex courses can be taken either via a PC or mobile device.
